

Vanderbilt University Medical Center

1161 21st Ave S, Nashville, TN

Annualized Savings

\$90,000

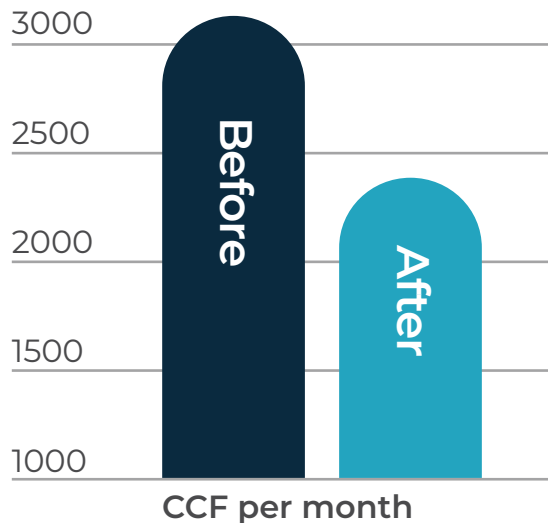

Gallons

6,300,00

23% Reduction

"...the Smart Valve appears to be making a significant impact. Through 7 months we have experienced a savings of about 23%, equaling to more than \$67,000. If this trend continues, we should see a savings in excess of \$90,000/year.

- Mike Gable, P.E., CEM, CHFM
